and Dyeing Mill Co. Ltd., No. 321 Markham Road.

D.I. Mith,

Officer in Charge. *STROUD*

Sir,

At 6.30 a.m. on the 14-11-41 a telephone message was received from Mr. Huang Yoo Han (黃耀南) the manager of the Hong Chang (鴻章) Cotton spinning, weaving and dyeing mill Co. Ltd., No. 321 Markham Road, reporting that the workers of the factory had called a strike.

D.I. Mith, No. 319 and No. 319 attended and ascertained that on the evening of the 13-11-41 a number of male workers employed in the dyeing department started an agitation for an increase in wage of 50% and betterment of working condition. The agitation spread to the spinning and weaving departments causing a general unrest.

At 6 a.m. on the 14-11-41 the day shift refused to start work and declared a "sit down" strike. They were joined by the majority of the night shift which resulted in approximately 2,000 workers loitering about the various departments.

At 9 a.m. on the 14-11-41 negotiations were opened between the management, the spinners and the weavers, the dyers refused to take part as they stated they had already despatched three representatives to the Social Movement Direction Committee, 95/10 Edinburgh Road, to request that organization to mediate for a settlement of the strike.

The management offered the strikers an increase in wages of 30% effective from the 1-11-41. These terms were acceptable to the spinners but rejected by the weavers.

At 10a.m. on the 14-11-41 some 1,100 spinners decided to resume work and returned to their respective machines. However, at 10.30a.m. they stopped their machines probably due to pressure from the workers of the same department.

On the 14-11-41 three representatives from the Police Department, Protection Committee, named *Deputy Commissioner (新云甫)*, *Mr. Tseng (王志成)* and *Mr. (孔祥德)* respectively, visited the factory and requested that they be allowed to mediate on the dispute. The management, however, refused to treat with them. They were informed by D.P.I. with that they are functioning illegally and warned against any recurrence.

As a result of further negotiations the spinners and a number of dyers decided to start their machines but they were prevented from working by agitators who pulled a number of belts from the machine driving wheels and switched off the motors.

The weavers and a section of the dyers were now in a truculent mood. The weavers locked themselves in the weaving department and refused to open the doors. Some of them were smoking cigarettes thereby causing grave danger of setting the factory on fire.

The dyers congregated at the far end of the dyeing department and started to shout insults at the Police who were in attendance. A number of these dyers had armed themselves with sticks and iron bars.

At 4.55 p.m. on the 14-11-41 the Reserve Unit was called out by Chief Inspector Trodd.

Squads of Police operating under the directions of Supt. Chamberlain cleared the spinning and dyeing departments without untoward incidents, but before access could be gained to the weaving department C.D.O. 95 had to climb through a window and unbolt a door.

When the Police entered this department which contained approximately 900 females, they were pelted with shuttles and left bobbin and it was found necessary to use batons to subdue the mob.

Three persons sustained injuries, two of whom received first aid treatment at the factory and the other at St. Elizabeth's Hospital:-

- (1) Yeh Yung Ying (姚鳳英), 30 years, Anhwei, 27 Chung Ka Hong, Changping Road, Minor injuries to head.
- (2) T. Chung (朱根榮), 30 years, Anhwei, 27 Chung Ka Hong, Changping Road, Contusion of buttock.
- (3) Tsang Hui Mei (張不妹), 24 years, Pootung, 27 Chung Ka Hong, Sinza Road, Trauma of right leg. Detained in Hospital.

There were no Police casualties.

The factory was cleared and the mob dispersed from the vicinity at 6.30 p.m. 14-11-41.

The factory will be closed until an amicable settlement has been reached.

Further to Strike of workers in the Hung Chang
Cotton Mill at No. 381 Markham Road.

At 9a.m. on 8/12/36, the letter (received by the above mill from the Bureau of Social Affairs) as referred to on Diary 25, was obtained from the management and a copy taken, same reads as follows:-

Character Hai No. 6211. Dated 6/12/36.

Instructional Order to Hung Chang Cotton Mill.

It has come to the notice of this Bureau that workers have been dismissed by your management for making preparation to organise a Labour Union. This action of your mill is against the "true meaning" of the labour and capitalists co-operation and mediation. But on the contrary the dismissed workers, without first reporting their dismissal to this Bureau and ask for mediation, agitated a number of workers and led them to the mill to cause disturbance and "Tai Kung" (stoppage of work) was also on the wrong procedure.

It has been decided by this Bureau that those workers who played an active part in the disturbance, viz.,-Shu Yah Vung, Hoo Kung Zai, Yue Fai Ching, Yue Ah Miao, Lau Ah Yung, Bei Tsung Yung, Lien Zung Zai, (7 in all) be allowed to be dismissed by your management, but for the sake of mercy two months extra wages be given to them as compensation, whilst the following four workers, Zee Pau Ching, Wong Yue Sung, Wong Ah Zai, and Zee Sing Poo

be reprimanded once and are allowed to be reinstated in your mill in order to settle this dispute.

A copy of the similar instructional order has also been given to the labour union for enforcement.

Chopped Pea Kung Jui,
Chief of the Bureau.

6/12/36.

A further visit to the mill at 3p.m. on 8/12/36 revealed that the four ex-employees (as referred to in Diary 25) again visited the manager in the mill, ostensibly to receive their wages, but actually pressing for reinstatement.

Three months wages was paid to them all, (excepting one of their members who is absent, having gone to Hang-chow) After receiving the money, and it being again explained to them that no re-instatement would be considered, they left the premises.

It is not expected that they will again return.

Further to strike of workers in the Hung Chang
Cotton Mill at No. 381 Berkham Road.

At 8 a.m. on 7/12/36, information was received from the above mill to the effect that certain men, (previously dismissed as a result of a disturbance amongst the workers) were present in the mill and demanded to be reinstated.

Inquiries by the undersigned and C.D.S. 202 ascertained the following:-

At about 5 p.m. on 5/12/36 a letter, addressed to the Management of the above mill, was received from the Bureau of Social Affairs, wherein it was suggested, or advised, that out of the 11 previously dismissed employees, 4 should be reinstated, the remainder to be paid the two months salary owing them.

As a result of this, 2 of the workers, as under, appeared at the mill a.m. 7/12/36, demanding to be reinstated, but when firmly told by the Management that such a proposal would not be considered, for a moment, they left.

The names of the 11 ex-employees follow,; the names underlined being the ex-employees who are to be reinstated,

according to the Bureau of Social Affairs.

The 8th and 9th as mentioned above, appeared at the mill in the morning, speaking on behalf of themselves, as well as the 10th and 11th named.

At about 3p.m. on 7/12/36, the first seven named above were paid all monies due them, and left quietly, but the 8th and 9th refused to accept their salary due, (as well as their friends) numbered 10 and 11 above, and shortly afterwards left the premises. It is expected that they will return tomorrow 8/12/36.

Mr. Ts Hai Tsung (施漢章) Secretary, informed the undersigned to the effect that no consideration whatever will be given to the four men now seeking re-employment in the mill, as the previous occurrence, with its attendant incidents, is considered closed. These four men have not, as yet, taken the salary due them, and are now "bickering" in the hope of re-instatement, but this, however, is without hope, Mr. Ts states, as it has been definitely decided to ignore the suggestion as outlined in the letter from the Bureau of Social Affairs.

....

The 6 accused in this case concerned together together did intimidate and attempt to prevent workers of the Hung Chang Cotton Mill from doing their normal daily work at the mill by means of threats.

Sheet No. 2

At 6.30 a.m. 2.11.36, a telephone message was received at Gordon Road Station from the Hung Chang Cotton Mill, 381 Markham Road, reporting that workers were being intimidated at the above mill.

Upon receipt of the above message the undersigned - C.D.S. 153 and a Party of Uniformed Police attended and found detained in the Office situated within the Mill compound 3 Chinese Female Workers, names as follows:-

- (1) Wong Ah Pau, 18, F/Millworker, Kompo, residing 361 Moji Rd.
- (2) Wong Ah Pau, 18 F/Millworker, Kompo, residing Kwang Zau Road, Chapel.
- (3) Zung Siau Doo, 19, F/Millworker, residing 13 Hang Tsung Road, Chapel.

Who had been concerned together in intimidating and attempting to prevent the day workers from carrying on with their work in the above named Mill. This attempt did not materialize and upon arrival of the Police all the day workers had commenced work.

Subsequent enquiries by D.S. White C.D.S. 153 and 187 revealed the followings:- at 7.20 p.m. 28.9.36, a strike of workers employed by the Ung Chang Cotton Mill situated at 381 Markham Road commenced and this is now the subject of (G.R. Misc. 14/36 Political).

About 5.50 a.m. 2.11.36, Sung Ching Tse, employed as a day-shift foreman at the above mentioned Mill arrived at the Mill for work and whilst in the Spinning Room which comes under his ~~xxxx~~ charge he received information to the effect that the Night Workers were going to cause trouble when leaving at 6 a.m.

Sheet No. 3.

Sung Ching Tse passed this information to Zung Yue Ha Works Manager in the Mill Office, situated within the Compound, and returned to the work-room and upon entering about 6.5 a.m. he witnessed Wong Ah Pau, the 1st named F/Millworker, mentioned above intimidating Millworkers about to commence work on the day shift by preventing them from running their machines and threatening them with Assault when they left the Factory later, should they commence work that day.

Sung Ching Tse returned to the Office and reported this disturbance to Zung Yue Nan, who then with Sung Ching Tse, went immediately back to the work-room where Wong Ah Pau was located.

Zung Yue Nan, then took her to the office for questioning re the cause of her actions. At this time, about 6.5 a.m. 50% of the machines were running in charge of the day workers, other day workers with those who had just finished Night work being present in the work-rooms and adjoining compound, the Day Workers having been prevented from running their machines by the actions of Wong Ah Pau and the 2nd and 3rd named.

After the removal of Wong Ah Pau from the work-room by Zung Yue Nan, the clerk of the department; Ling Vung Shu then witnessed the 2nd named, Wong Ah Pau, attempting to prevent the

Sheet No. 4.

the Night workers from leaving the work-room and agitating with the Day-workers not to commence work under threats of Assault when they left the factory Ling Vung Shu requested her not to interfere or cause any disturbance amongst the day workers and to leave the premises. To this request she paid no attention and persisted in her efforts to bring about an impasse with the night and day workers to prevent work being continued. She was then also taken to the Office by Ling Vung Shu and detained.

Zung Yue Nan, works manager then returned to the work-room (now about 6.20 a.m.) when all the night workers should have left, but many of whom were still present in the room mingled with day workers who had been frightened to commence work. Whilst trying to ascertain the cause of the dis-satisfaction he witnessed the 3rd named Zung Siau Doc, stop 7 machines which were being operated by day workers at the same time stating that if they did not stop work they would be assaulted upon leaving the mill. Her removal by Zung Yue Nan, finally settled the disturbance within the work-room and the day workers resumed their work.

Whilst being removed from the work-room, Zung Siau Doc, picked up a wooden spindle (Exhibit) with which she attempted to assault Zung Yue Nan, but was prevented causing any serious injury, and also removed to the office

The removal of the three agitators quelled any further disturbance and all the Night Workers left the premises without any further incidents and all the Day workers commenced work.

The 3 above mentioned females brought to the station and interrogated admitted having participated in the abortive attempt to bring about another strike at the Mill as outlined above. Further questioned they stated that one named Sung Ziang Sung, employed in the Mill as a Machine Oiler had instructed them in the parts they had to play in the attempt to bring about another stoppage and further unrest amongst the workers.

Sung Ziang Sung, 32, M/Millworker, residing 3951 Robison Road, was taken into custody from the mill compound at 11.45 a.m. 2/11/36, and brought to the station and interrogated admitted having with two other workers, Sung Ah Sung, and Zee Ah Woo attended a meeting held at No.20 Dzoong Tuh Lee, Hung Fung Road, Chapel, Offices of the Labour Union, 2 p.m. 1/11/36 where apparently it had been decided to deceive the workers of the Hung Chang Cotton Mill into coming out on strike again on the pretext that the management was going to reduce their wages by 20%.

Sung Ah Kung was arrested at 12/15 a.m. 2/11/36 at 32/400 Tonquin Road and questioned at the station admitted having attended the Labour meeting as stated above and having with the others taken part in the discussion and agreement to cause dissatisfaction amongst the workers as outlined above.

Zee Ah Woo, 29, M/Mill worker, employed by the Hung Chang Cotton Mill was next taken into custody at 6.30 p.m.

2/11/36, at the Mill premises and questioned at the station admitted his part in the attempt to bring about unrest amongst the workers and his attendance at the labour meeting at 2 p.m. 1/11/36, with the other two male Chinese mentioned above.

In this case it must be noted that acts of intimidation have occurred frequently since the commencement of the dispute at the Hung Chang Cotton Mill on the 28/9/36, and on only one previous occasion has direct evidence been available against any particular person/s (G.R. F.I. N. 638/36).

Untiring efforts of the Management of the Mill and the Bureau of Social Affairs since the 28/9/36, have only recently shown results in bringing the original unrest amongst the workers to a satisfactory conclusion.

The action of the above six named with the assistance of the unofficial Labour Union (3rd Cotton Weaving Preliminary Office, Chapei) composed chiefly of recently dismissed employees, is an effort to bring about further unrest amongst the workers by circulating rumours that the management intended to reduce their pay 20% (ascertained from the management to be without the slightest foundation of the truth) and their concentrated action at the mill 6 a.m. 2/11/36 when they attempted to prevent the Day workers commencing work by intimidation and threats of assault if not obeyed, the result of a premeditated plan of action.

The 6 named therefore have been charged under Art. 304 Section 1 of the C.C.C. and will appear before the S.S.D. Court a.m. 3/11/36. All concerned have been warned to attend.

Statements have been taken from each and are attached.

Statement of Sung Ah Kung (許阿公), native of Ningpo.

G. Rd. Stn. on the 2/11/36

My name is Sung Ah Kung, age 48 years, native of Ningpo, residing 420 Monquin Road. I have been employed as an oiler at the Hung Chang Cotton Mill since March of the 11th Year of Chinese Republic (1922). At about 12 noon on the 31/10/36, when I was "shopping" on Changping Road I met one mill worker whom I know as Tsai June Ziang. He called me to go to No.20 Wzoong Ah Lee, Hung Feng Road, Chapei, where the labour union is situated. I accompanied him to the said place and waited there until 2 p.m. the same day. A meeting was then held and at which it was decided that in case the mill manager wanted to deduct our wages from the 1/11/36 (Monday), the day workers who enter the mill should not commence work and the night workers who worked previous night should not leave the mill in order to make it as a demand. At 11.30 p.m. on 1/11/36 when I was mentioning this decision of the meeting to Sung Ziang Sung and Zee Ah Woo in the "Fine Cotton" Room of the Hung Chang Mill, it was overheard by some of the female workers. I did not expect that the disturbance will start this morning amongst the female workers.

Signed: Sung Ah Kung.

Statement of Sung Ziang Sung (孫祥生), native of Kompo.
G.R. Stn. on the 2/11/36

My name is Sung Ziang Sung, age 32 years, native of Kompo, residing 3951 Dah Shoo Lee, Robison Road. I have been employed as an oiler at the Mung Chang Cotton Mill since October 1931. At about 2 p.m. on the 1/11/36 one of my co-workers whose name I do not know came to my home and called me to go to No. 20 Dzoong Tuh Lee, Mung Fung Road, Chapei, the premises occupied by Labour Union. On my arrival it was already about 3 p.m. The meeting was over and all attendance left, therefore I did not hear any decision in the meeting. I returned home. I went to the mill at 5.30 p.m. for night shift. I worked until 11.30 p.m. the mid-night meal time was due and I left the working room and on my way to dining room I passed winding room and I heard Sung Ah Kung talk to Lee Ah Woo. I went up to them and asked them about the decision of the meeting in the Labour Union. They then all told me that the meeting decision being that if the mill management wanted to cut 20 per cent wages from workers all should oppose and all day duty shift should not start work and night duty members should not leave the mill waiting for the management's promise not to cut their wages. I do not know about the origin of the disturbance this morning. This is my true statement.

Signed: Zung Ziang Sung.

Statement of Zung Siao Doo (), native of Zangchow.
G.R. Station on the 2/11/36.

my name is Zung Siao Doo, age 19, native of Zangchow,
residing at no.47 Hong Yung Faung off Mai Chung Road, Chapei.

About 2 p.m. on the 1/11/36 when I was sleeping at
my own home, one fellow female worker, as I called her
adopted mother, came to my home and told me that I should
not go outside when finished the night work. Be careful
of being assaulted by others, that I should come out of
the mill together with the male and female workers.
Further she told me that I had better not turn on night
shift tonight.

Until 6 a.m. this morning (2/11/36) I just got ready
to leave off my work, and heard many female workers, shouting
"Off duty workers don't go outside" and "Day shift workers
don't turn on work". "If you people don't take this advice,
you would be assaulted by them." Just when I was standing
in the Spinning room, I was pushed by some others from
behind which action was seen by the mill staff, I was
therefore brought to the station. This is my true statement.

Statement of (2) Wong Ah Pao, native of Nampo.

G.R. on the 2/11/36.

My name is Wong Ah Pao, age 18, native of Nampo, residing unnumbered straw hut in Yung Mong Li off Awang Shao Road, Chapel, and employed by the Hung Chang Cotton Mill as a night worker.

About 12 mid-night 1-2/11/36, when I was just working in the spinning room, I was approached by three male workers, one named Sung Ah Sung (宋阿宋), and one named Sung Ziang Sung (宋子强) and the 3rd one unknown to me, they three were engaged in oiling, and they three told me that I should not go out when finished the night work at 6 a.m. the next morning, stating that "If you female workers go outside, you would be assaulted by them." "You had better go out together with male workers." Indeed, it was actually Sung Ah Sung and Sung Ziang Sung, who prevented us to go outside, This is my true statement.

Statement of (1st) Wong Ah Pao (黃亞保), native of Kampo.
G.R. on the 2/11/36.

My name is Wong Ah Pao, age 18, native of Kampo, residing at No.361 Moji Road. I am employed as a spinner by the Hung Chang Cotton Mill, No.518.

At about 5 p.m. on 1/11/36 I went to the Mill for turning up the night shift. The next morning 2/11/36 at 5.30 a.m. the night work finished, but I did not come out. Owing to the fact that when I was working in the work-room about 12 mid-night, I was approached by two male workers, whose names were unknown to me, but they both were engaged in oiling. They both told me that I should not go out the next morning when finished night work, because there were some persons intending to assault me, I therefore waited until 6 a.m. When passing through the spinning room I saw that some disturbance was taking place, but at the same time, some of the mill staff were on the scene, they then suspected me having created disturbance, I was brought to the mill office first and then I was brought to the station. This is my true statement.

Cross signed, Wong Ah Pao.

Statement of Zee Ah Woo (李阿武), native of Kompo.
G.R. on the 2/11/36.

My name is Zee Ah Woo, age 29, native of Kompo, residing No. 12 Hung Chong Li off Penang Road, and employed by the Hung Chang Cotton Mill as a workman since 1930.

About 2 p.m. on the 1/10/36 I was taking food in a food-shop situated at the corner of Gordon and Robison Roads where I was approached by one named Koo Shing Tsai, (許生才) who told me to go to the Labour Union at 20 Tsoong Tuh Li off Hung Fong Road, Chapei, and informed one named Chun Yue Ding (陳月庭) to declare that I should assist the female workers on strike on the 2nd day. At that time Sung Ziung Sung was in the Union office, who stated that he would prevent all these female workers in his room to go out. On the same night about 1 a.m. Sung Ziung Sung came to my machine room and told me that I should stop these female workers from working and not allowed them to go out. I replied that let each female stop work at liberty, because I could not prevent them by myself alone. The next morning at 6 a.m. I saw the mill light flashing red, when Sung Ziung Sung was seen standing on the Main gate and prevented the female workers to go out. This is my true statement.

Strike of Workers in the "Hung Chang
Cotton Mill, at 381 Markham Road.

Since forwarding Diary No.22, the situation in the above mill up to 6 a.m. on 2/11/36 had been normal with no intimation whatever of the further outbreak of trouble on the part of the workers, but at 6.30 a.m. 2/11/36, a telephone message was received at this station, from the above mill, reporting that certain workers were being intimidated. As a result of this information, 6 workers, (3 female and 3 male), were subsequently arrested and charged, Vide F.I.R.677/36, G.Rd. "Intimidation". Enquiries revealed that No.20 Dzoong Tuh Lee (崇德里), Hung Feng Road, Chapei, is still being used by certain workers of the above mill as headquarters of the proposed Labour Union, where meetings are held periodically. At 2 p.m. on 1/11/36, a meeting was held in the above house, attended by the three male Chinese (now in custody) when it was proposed to deceive the workers into again coming out on strike on the pretext that the management of the mill intended reducing all wages by 20 per cent.

No cut of the workers wages is contemplated by the management.

WORKERS OF HOONG TSAUNG WEAVING AND DYEING FACTORY ON STRIKE

The Hoong Tsaung (鴻章) Weaving and Dyeing Factory, No. 381 Markham Road, employs more than 1,000 workers.

The other day, the management dismissed Ho Ken Zai (何根才) and several other workers for suggesting the formation of a labour union. This dismissal gave rise to much dissatisfaction among the workers who went on a "go-slow" strike, but on the advice of the Bureau of Social Affairs, the strikers returned to work.

Up to yesterday the management had not given any reply to the demands submitted by the workers nor had it reinstated the dismissed hands; on the contrary, it is reducing the workers' wages.

Yesterday morning the entire body of workers opened negotiations with the management, but without any result. The workers then went on strike and appointed representatives to make appeals to the local Tangpu and other government organs for assistance. These organs will detail officials to the factory this morning to mediate.

JAPAN'S FOOLISH POLICY

Our enemy believes that after she has conquered this country, she should be free of China's vengeance. In the first place, will she be able to succeed in such a conquest and will such a conquest bring about the desired effect about which our enemy has been dreaming all the time? We say that she shall never succeed. Poland remained a Vassal State of Russia for nearly a century and has finally recovered her independence. Japan should realize that the spirit of nationalism among the Chinese people of to-day is very strong. Our enemy prefers to undertake the conquest of China, thereby creating general ill-feeling against her, rather than to co-operate with China for mutual prosperity and glory. What a foolish policy our enemy is now pursuing!

Let us remind our enemy not to be so proud and arrogant. She must realize that the 400,000,000 people of China are now ready for war and are prepared to fight a desperate struggle against her for the preservation of their existence as a nation. They are determined to smash the enemy forces.

Strike of workers in the Hung Chang Cotton Mill
at 381 Marcham Road.

At 10a.m. on 30/10/36, a letter addressed to Gordon Road Police Station was received, signed by the "3rd Cotton Weaving Preliminary Union Office." A translation of the contents follows:-

Gordon Road Police Station,

"We received instructions from the Bureau of Social Affairs to the effect that all workers should return to work when this letter is received. We have therefore informed all the workers to go to work tonight, 30/10/36 (night shift) In case of any misunderstanding existing we now report to you as above."

Signed The 3rd District Cotton Weaving Union Preliminary office
Dated 30/10/36.

A visit was paid to the Hung Chang Cotton Mill and Mr. Ts Hwei Sung, manager, was interviewed, who also reported the receipt of a letter sent by the Bureau of Social Affairs to him, a.m. 30/10/36. A translation of same also follows:-

Instructional Memo No. Character Hai 1642.

"Owing to the fact that the Mill dismissed two workers named Ho Kung Tsai and Shu Wen Yoh, a strike was caused. In this case, except the above mentioned 2 workers, all the workers should go back to work."

After enquiries, we ascertained that a part of the weaving department still do not resume work, so there was no result on the meeting held on the 24/10/36.

We have again instructed the Union to the effect that all the workers should resume work within two days, otherwise they would be deemed as willing to relinquish their jobs, and we allow the mill to take the new hands in.

If any more trouble occurs a further meeting should be held in order to settle the trouble.

Dated 30/10/36.

From the above two letters it would seem that the Bureau has suggested that all the strikers resume work, but does not clearly intimate whether the previously dismissed men, 11 in all. ^{Should be included.} Without doubt, the letter received at this station, emanated from a member of the dismissed workers, who having heard that the Bureau has more or less told the management to allow the "striker" to resume work are taking it for granted that they (the workers formerly dismissed for creating trouble in the factory) will also be allowed to resume.

Mr. Te Hwei Sung definitely stated that if any of the ex-workers appear, when the shifts ^{are} changing, at 6p.m. 30/10/36, they will be put off the premises.

The undersigned and C.D.S.s 187 and 202 attended the above factory at 5.10p.m. 30/10/36, as the possibility

Political 14/36.

existed that these men, when being refused to resume work,, would probably try to cause a further out-break of trouble. At about 5.40p.m. eight of the ex-employees arrived, but when told to leave the factory, by the manager they retired quietly, dispersing in several directions.

It is now apparently considered by the Bureau of Social Affairs, and the management of the Hung Chang Cotton Mill, that the entire incident has now terminated.

No other meeting has been arranged for, and the mill is now working at full pressure.

As Mr. Ts Hwei Sung explained to the undersigned, the few workers at present absent from the mill, are absent purely for private reasons such as sickness, etc.

As referred to in Diary No. 19, three arrests in connection with intimidation of the workers, was effected on 20/10/36, at 8.40p.m. and charged, after one remand these men were finally sentenced to 20 days detention each on 27/10/36.

STRIKE AT THE HOONG TSAUNG COTTON MILL

The management of the Hoong Tsaung (鴻章) Cotton Mill, No. 381 Markham Road, has not only failed to reinstate Ho Kan Zai (何根才) and several other dismissed hands the other day, but has also reduced the wages of the workers who had participated in the recent strike.

At 6 a.m. yesterday when the non-strikers went to the factory to work, Sun Ziang Sun (孫祥生) and other male workers instigated Wong Ah Pao (王阿保) and several other female workers to use the bobbins to strike any worker who resumed work. The women mistook the hands of the Wing On Cotton Mill in the vicinity for their fellow workers and stood in their way. A clash ensued.

Upon learning of this, the Wing On Cotton Mill immediately sent a telephone message to the Police whereupon detectives and uniformed men arrived and took Wong Ah Pao and 5 others into custody. The arrested persons were brought before the Shanghai First Special District Court yesterday morning when three of them were sentenced to 5 days' detention each while the remaining three were given 15 days' detention each.

THE MAIN POINTS IN SINO-JAPANESE NEGOTIATIONS

Despite the several interviews between General Chang Chun, Minister of Foreign Affairs of the National Government, and Mr. Kawagoe, Japanese Ambassador to China, no fresh developments in the Sino-Japanese negotiations have taken place. This is due to the fact that Japan is suggesting a united front against communists and the demarkation of several provinces in North China into a buffer district. These proposals cannot be accepted by China.

Japan is now willing to make concessions and is suggesting that autonomy be introduced in Hopei and Chahar instead of in the five provinces in North China, but she still insists on a united front against communists.

Our enemy prefers to undertake the conquest of China, thereby creating general ill-feeling against her, rather than to co-operate with China for mutual prosperity and glory. What a foolish policy our enemy is now pursuing!

Let us remind our enemy not to be so proud and arrogant. She must realize that the 400,000,000 people of China are now ready for war and are prepared to fight a desperate struggle against her for the preservation of their existence as a nation. They are determined to smash the enemy forces.

Strike of workers in the Hung Chang Cotton Mill
at 381 Markham Road.

At 3p.m. on 22/10/36, Mr. W.C. Seeds, Secretary of the Board of Directors of the above Mill was interviewed at the station, when it was learnt that the Bureau of Social Affairs, at the last meeting held between the representatives of the Mill and workers condemned the action of the workers representatives in calling a strike without their permission, and had advised the management to refuse to reinstate the workers previously dismissed.

Since the arrest of the workers, as reported in Diary 19, a marked improvement has resulted in the number of workers resuming.

The present state is as follows:-

Night Shift 6p.m. 22/10/36.

Females working	547	absent	77
Males working	113	"	10

Day Shift 6a.m. 23/10/36.

Females working	643	absent	57.
Males working	326	"	14.

In normal times males and females absent from the mill for various reasons would be practically the same as above, it is therefore to be considered that the mill is practically working at full pressure.

Strike of workers in the Hung Chang Cotton Mill
at 381 Kerkham Road.

Since the management definitely dismissed the eight workers (see diary 14) more workers have returned to their places in the Mill. The following figures show marked improvement on those for the previous two shifts.

Night shift 6p.m. 13/10/36

520 Females working, 100 females absent.

109 Males working, 5 Males absent.

Day Shift 6a.m. 14/10/36.

620 Females working. 80 females absent.

318 Males working, 22 Males absent.

The above shows that only 13.2% of all workers are now absent from work. It must also be taken into consideration, that in normal times, the daily absentees from work for diverse reasons, is approximately 100 in addition to which, normal casualties have occurred which were not 'made up' during the trouble and the vacancies so created, are only now being filled.

The eight men dismissed have neither approached or communicated with the management since leaving the Mill after dismissal. Their pay due, still awaits collection.

They did not wish to attend Hospital and only required that their report be placed on record in view of the present situation. It is suspected that some other strikers had "put them up" to making this report but along more serious lines but that they "lost heart" and confined their report as above on seeing those connected with the management, at that time, at the station. They would not admit that others had instigated them to report. Both have been on strike for the past week and stated they were returning to work for the first time when the above happened.

No further incidents have occurred and the number of strikers are now as follows:-

Strike of Workers in the Hung Chang Cotton Mill
at 201 Gordon Road.

Further to the remarks on diary No.9 re dismissal of five other employees, enquiries have now revealed the situation to be as follows:-

A letter was received from the Bureau of Social Affairs by the Management on 8/10/36 translation as follows:-

"Instructional Order issued by Bureau of Social
Affairs No.Character 'Hai' 201.

" A petition has been received from the Preparatory Committee of the No.3 Cotton Weaving workers Union to the effect that two of the workers named Hoo Kung Zai and Shu Vung Yah have been dismissed by the mill management without any suitable reason, therefore a dispute between the management and workers has commenced, and that this Bureau be requested to take this case into consideration.

" According to the above, the declaration of stoppage of work by the workers before negotiation or decision by this Bureau is strictly prohibited and this order has been repeatedly conveyed to every mill and their workers. It is not according to "laws" of this Bureau that the workers of the mill in question declare a stoppage of work without first obtaining permission from this Bureau, and is considered to be unreasonable".

"This Bureau, on receipt of this petition from the workers Union, now again repeat the above order and herewith instruct that all the workers of the mill should resume work as soon as possible with a view to maintaining order of the mill, with the exception of the two dismissed members named Heo Kheng Zai and Shu Vung Yah whose reason for their dismissal will be investigated and the matter settled by negotiations with the management later."

Prior to receipt of this letter the management had decided on 7/10/36 to dismiss first, five workers as shown on diary 9 page 1 and later, at the first convenient opportunity, 4 others, (names below) for being instrumental in prolonging the strike.

1. Bei Tsung Yung (卜春榮).
2. Wong Ah Faung (王阿芳).
3. Wong Yue Sung (王友生).
4. Iung Ah Yung (尹阿榮).

The letter (above) from Bureau of Social Affairs ^{temporarily} excuses with the dismissal of the original two workers but instructed that all other workers resume work.

The management on receipt of this letter realized that to dismiss these further 9 men would be contrary to the instructions of Bureau of Social Affairs.

After a discussion by the management it was

decided to adhere to their original decision and to dismiss these 9 men and they are quoting "Factory Law"

() Art.No.31 Sect. 2 which states:-

"A factory may terminate a working agreement prior to its expiration and without previous notice on the following grounds:-

"Section 2.

When a worker fails to report for work, without cause for 3 consecutive days or, more than 6 days in one month;

The management contend that they are within their rights in making this decision, as all the above 9 workers have absented themselves from work for over one week.

This decision, it is understood, will be communicated to the Bureau of Social Affairs 9/10/36 and the management has promised to communicate the reply given, on its receipt.

Strike of Workers in the Hung Chang Cotton Mill
at 391 Markham Road.

At 5.10p.m. 9/10/36, a message was received in the Charge Room from Hung Chang Mill to the effect that workers were causing trouble at the mill.

Inspt. 1/c, D.S. White and party immediately attended and found that F.S. Johnstone and C.D.S. 128 and party of police had 13 men under detention in the Weaving Shed Dining Room.

Enquiries revealed that these men, had entered the Mill Compound with other workers, during change of shifts and had assembled in the Mill Compound and demanded to interview the management re reinstatement.

Eight of the 13 workers were those already referred to on Diary 9 page 2 and Diary 10 page 2, Bei Tsung Yung being absent. The names of the other 5 are

Also Mill workers on strike.

The management refused to grant these men an interview and they then went together to the Weaving Department Dining Room and stated they intended to remain there until an interview was granted.

Whilst enquiries were in progress D.O. "B" attended and the 13 workers were then taken to the office where

Political 14/36.

11/2.

D.O. "B", Inspt. i/c, the manager and D.S. White discussed the matter.

It must be noted that the nine men have not yet been properly notified of their dismissal, but as shown on Diary No. 9 page 2 (last para.), four of these men had been refused admittance to the mill at 6a.m. 9/10/36 when they wished to resume work.

These workers stated they had the authority of the Bureau of Social affairs, to again start work, in the form of a letter. This was not displayed but is believed to be one identical with that received by the management. This letter is said to be in the possession of Hoo Kung Zeu (何根傳) (one of the original two dismissed).

It was finally arranged, with the sanction of D.O."B", that these workers and a representative of the management, meet at Gordon Road Station at 11a.m. 10/10/36 when the findings of a meeting to be arranged by Mr. W.C. Seeds with the management, in the interim, will be conveyed to them.

The increase in the number of strikers shown on Diary 10 page 3 (night shift) is most probably, due to the fact that some workers arriving for the night shift, would not enter the Mill Compound on observing that some trouble was afoot and were seen to walk away (most probably returning to their homes).

Political 14/36.

11/3.

No holiday is being observed by the Mill on 10/10/36 (Double Tenth) in view of the present unrest and the probability of the management deciding to "close down" until the workers are willing to return.

As will be seen by reference to Diary No. 8, several men were arrested by the Chapei Police following an assault upon a carpenter, (employed by the above mill) at about 1.30p.m. on 7/10/36.

A list of the names of the men arrested, including others taken into the Hung Fong Road Police Station, for questioning, follows:-

- (1) Shu Vung Yoh (许文岳) (2) Lieu Zung Zai (刘顺才)
(3) Zee Pau Ching (徐宝庆) (4) Wong Ah Faung (王何方)

Later, these men were all released, after a suitable guarantee had been provided for them. (They are not being proceeded against by the Chapei Authorities).

At about 5p.m. on 7/10/36, one named "Bee Chin Yung" (卜春荣) was arrested by the above police and recognised by the complainant (as one of his assailants) This man has been detained and charged, appearing in the City Court a.m. 8/10/36.

of the workers, appears the name of Shu Vung Yoh (許永學) who was one of the originally dismissed men.

On 7/10/36, the management decided to dismiss the undermentioned five male workers as they were known to be ones who were actively prolonging the strike:-

1. Yue Hai Ching (余海卿).
2. Zee Sing Foc (徐新甫).
3. Zee Pau Ching (徐堂慶).
4. Yuen Ah Miao (袁阿妙).
5. Lieu Zung Zai (劉順才).

This information was not passed to detectives until C.D.S.202 had learnt this from outside and then directly questioned the management.

It is learnt that the Bureau of Social Affairs has already sent a letter to the workers representatives instructing them to resume work first and to negotiate afterwards. These instructions however were based on the original grievance of the two dismissed workers.

The dismissal of the above five has further complicated matters but as this information only came to hand at 7 a.m. 9/10/36, enquiries regarding same are not yet complete.

Four of the above five attempted to resume work 6 a.m. 9/10/36 but this was refused by the management.

Strike of workers in the Hung Chang Cotton Mill
at 341 Markham Road. 鴻章紡織

Further enquiries at the above mill on the night of the 5/10/36 ascertained that 230 workers of the night shift failed to report for work.

The position to date is now as follows;- 160 day-shift workers and 230 night-shift workers have failed to report for work, a total of 390 male and females. This is probably explained by the fact that on Sunday, 4/10/36, the mill is closed down during the period of the day-shift, 6 a.m. to 6 p.m. and this would therefore afford an opportunity to the disgruntled workers to circulate amongst the other workers for the purpose of spreading discontent. It was learnt that many of the workers who are unwilling to strike were approached on Sunday, 4/10/36, and requested to help the strikers by refusing to resume work for two days, thereby assisting them, the strikers, to gain their objective.

With regard to the notice posted by the management to the effect that in the event of the strikers failing to resume work in two days, all would be dismissed, Mr. Ts Hai Tsong informed the undersigned to the effect that this notice was posted more as a means to frighten the workers into resuming, and should not be taken too literally, but at the same time, should the situation assume serious

Strike of workers in the Hung Chang Cotton Mill, at 381 Markham Road.

At 8.30a.m. on 2/10/36, the undersigned again visited the manager of the Hung Chang Mill (鴻章紗廠) when it was learnt that out of the normal complement of day-workers, (657 male and female), 240 females and 40 males, (a total of 280) failed to turn up for work this a.m. 2/10/36.

The remainder, 377 female and male workers, proceeded quietly to the various departments where they remained at work without any sign of demonstration.

During the interview, Mr. Ts Hai Tsong informed the undersigned that he had received information from one of his department foremen, to the effect that cases of intimidation had occurred at the following places between the hours of 5a.m. to 6.30a.m. and 5p.m. to 6.30p.m. on 1/10/36 and 2/10/36:-

At 6p.m. on 2/10/36, when the night shift comprising 660 hands should have reported for work, it was found that 460 only, checked in, or less 200. This now makes a total of 480 male and female workers on strike.

It is thought by the management, that it is only a matter of time before the entire complement of workers will have ceased work.

Up to date, enquiries show, no representations have been made by the workers to the management.

Mr. Ts Hai Tsong assured the undersigned that every effort to bring the dispute to an early settlement would be made by the management, but that, in the event of any further demands, such as increased wages, or the like, being put forth by the workers, a complete "shut-out" would be ordered for an indefinite period. Strike of workers in the Hung Chang Cotton Mill at 381 Markham Road. (22-17-36)

At 11.00a.m. on 1/10/36, the undersigned again visited the Secretary of the Board of Directors of the above Mill, at 381 Markham Road when it was learnt that no definite decision had been arrived at between the management and the workers, but that all hands were working normally as hitherto, with no suspicion of impending disturbance.

At 2.00p.m. same date, the undersigned was informed by Mr. Ts Hai Tsong (The Secretary referred to above) to the effect that he had received definite instructions to dismiss the two workmen, (referred to on Diary 1) despite any adverse action on the part of the other workers, and that he would dismiss these men at 3.00p.m. even date.

He further informed the undersigned to the effect that he had received information from his foreman named Zung Tsung Chang (鄭鎮昌) revealing the possibility of a disturbance staged by the friends of the men whom he intended to dismiss, he therefore requested police protection on the premises, in view of this. The foreman when questioned stated that he had himself heard muttered threats on the part of many of the workers, in the mill, to the effect that the management "would be sorry" if they persisted in the dismissal of their two friends, (1) Hoo Kung Zou (何振傳) and (2) Shu Vung Yoh (許文學)

A party of police under Inspector Holt, Officer i/o immediately proceeded to the mill, and shortly afterwards "Hoo Kung Zou" was called from the mill by the manager, who told him his services were no longer required. He was immediately paid his salary, to date, and left the premises quickly.

This man was engaged on day-shift whilst his friend, Shu Vung Yoh is employed on the night shift.

Mr. Ts Hai Tsong then stated that at 6p.m. upon the arrival of Shu Vung Yoh, he was also to be paid off.

As no signs of a disturbance were apparent, police were withdrawn except for the usual strength which has kept observation during the past few days.

At 6p.m. the undersigned was again present, but Shu Vung Yoh failed to arrive at the mill for work.

From this it is considered that he had met and been informed by his friend of the decision of the management, and consequently has remained away probably to consider some other line of action, after consulting with his friends.

At present, no useful information regarding the type of reaction to be expected from the workers, when they all learn of the dismissal of these two men, could be obtained, apart from rumours to the effect that a strike would

RECORD OF INVESTIGATION.

Strike at Hung Chang Cotton Spinning, Weaving and
Dyeing Factory, 381 Markham Road.

At 7.20p.m. on 28/9/36, a telephone message was received from one named Ling Wen Ts (林文審) office clerk, employed by the Hung Chang Cotton Spinning, Weaving and Dyeing Factory, (鴻章紗廠) situated at No. 381 Markham Road to the effect that a strike had occurred in the above factory affecting about 850 workers, further adding that the strikers were on the premises and refused to leave.

Inspector Holt, Officer i/c District, D.S. Taylor, and a party of police immediately proceeded to the scene when it was learnt that the night and day shifts of male and female workers of the spinning and weaving departments of the above factory, comprising about 850 workers in all had ceased work, and definitely refused to continue until the following two demands had been complied with by the management;—

- (1) That the workers be allowed to establish a branch of the 3rd District Cotton Weaving Labourers Union, (located on Hung Fong Road, Chapei).
- (2) That two workers named (1) Shu Vung Yoh (許文榮) and (2) Hoo Kung Zou (何根傳) dismissed by a foreman named Zung Tsung Chang (鄭鎮昌) at 6p.m. on 28/9/36 be reinstated.

Mr. Ts Hai Tsong (施漢章) Secretary of the board of Directors of the concern was communicated with, and, upon his arrival the following was learnt:- On the 25/9/36, representation was made to the management by the two now dismissed workmen, who apparently acting as spokesmen on behalf of the Spinning and Weaving Departments, demanded that the workers be allowed to establish a branch office of the 3rd District Spinning and Weaving Labour Union, and to become affiliated to that union. Mr. Ts Hai Tsong then explained to them that the idea would not be entertained by the management. Later in an effort to arrest the movement before same had a chance to take root, (but only after enquiries had been made amongst the workers by the management, resulting in information being received to the effect that "Shu Vung Yoh" and "Hoo Kung Zou" were likely to cause discontent amongst the staff) the two above named workers representatives were informed to the effect that their services would terminate on 28/9/36.

This resulted in a committee being formed, comprising 8 male workers (named hereunder) (1) Yee Hai Ching (余海卿) (2) Loh San Rao (陸三寶) (3) Zee Rao Ching (徐寶青) (4) Zung Lan Sung (鄭蘭生) (5) Hoo An Sung (賀安生) (6) Tan Kung Dau (談振道) (7) Wong Ah Sung (王阿生) (8) Wong Yeu Dau (王有生) who presented

the above two demands to the management at about 6.30p.m. on 28/9/36, in the meantime a halt was called which affected the departments mentioned above .

It was also learnt that the two dismissed workers had applied for registration to the Bureau of Social Affairs, Nantao on about 20/9/36, with a view to obtaining recognition of their proposal to establish a union.

Following a lengthy discussion in the factory from 7.30p.m. to 9p.m. 28/9/36, a local agreement was arrived at between the Secretary, Mr. Ts Hai Tsong and the workers to the effect that the two dismissed workmen may continue their work from a.m. 29/9/36, provided all hands turned in together. This was agreed to, as a form of temporary measure, pending a meeting of the management at about 4p.m. on 29/9/36, at which time, representatives of the workers would be present to discuss the situation.

Only about 100 of the night shift remained behind to work, the remainder leaving the factory, without causing disturbance, promising to continue work from the 29/9/36, pending settlement of the affair.

The situation up to the present cannot be described as normal, especially in view of the unlikelihood , (according to Mr. Ts Hai Tsong) of the management agreeing to the workers demands.

Police have therefore been posted in the vicinity

and observation of the movements of the workers is being kept up by detectives, pending the outcome of the discussion between both parties, at 4p.m. 29/9/36, the result of which will be the subject of a further report.
